

2022 Homeowner Tax Rebate Credit

The homeowner tax rebate credit is a one-year program providing direct property tax relief to nearly three million New York State eligible homeowners in 2022.

If you qualify, you don't need to do anything; the Department of Taxation and Finance will automatically send you a check for the amount of your credit.

They have already started mailing checks and expect to mail most in June. If you don't receive your check by early July, you can expect to receive it before your school tax bill is due.

Eligibility

To be eligible, you must have:

- qualified for a 2022 STAR credit or exemption,
- had [income](#) that was less than or equal to \$250,000 for the 2020 income tax year, and
- a school tax liability for the 2022-2023 school year that is more than your 2022 STAR benefit.
