

Boy Scout Day

High Acres Landfill and Recycling Center

Monday, October 9th, 2023

Program Description: Modern landfills and recycling are important components in the protection of public health and our environment. To learn about the importance of landfills to society, program participants will watch two short videos, learn how modern landfills are built and operated, and take a bus tour of the facility!

Meagan Evans-Saurini and Tina Stevens from Monroe County will give a brief presentation on the 3 R's - Reduce, Reuse and Recycle - to help you to help Monroe County and WM keep materials out of the landfill. You'll hear an update on the latest recycling information for Monroe County, learn how to make up the recycling bin at your home, and get a brief overview of the WM/County Ecopark for hard-to-recycle items. Scouts will then enjoy a bus tour of the High Acres facility with WM staff members.

Target Age Group: *Scouts between the ages of 6 and 18.*

Program Starting Time (lasting approximately 60 minutes):

9am, 10am, 11am

Where: *425 Perinton Parkway Fairport, NY 14450 (Admin building)*

Cost: *Free*

Please contact Nicole Simonetti at nsimonet@wm.com to reserve your spot and earn your badge patches from WM and Monroe County! *(Limited Spots Available)*
