Town of Macedon New York Forward: Local Planning Committee Meeting

The Town of Macedon was selected as one of the Finger Lakes region recipients of a \$4.5 million NY Forward (NYF) grant. NYF is a statewide initiative that provides funding for high priority projects designed to boost local economies and transform downtown centers where the next generation of New Yorkers will want to live, work, and raise a family.

The NYF program is guided by a Local Planning Committee (LPC) comprised of local stakeholders from a variety of relevant backgrounds, industries, and sectors and is responsible for overseeing the development of the Macedon's NYF Strategic Investment Plan (SIP). The purpose of the SIP is to identify, describe, and recommend transformative projects for NYF funding.

The second LPC meeting will be held at the Town Hall at 32 W Main St, Macedon, NY 14502, June 20th at 6PM. This meeting is open to all members of the public, with time reserved at the end of the meeting for public comment. The Town of Macedon is committed to hosting open, inclusive, and accessible meetings.
